

FEATURES

- SMC (Sheet Molding Compound) material for lightweight, yet superior strength, beauty and easy cleaning.
- Interlocking system for easy installation.
- Tub walls have a 4" x 8" subway tile pattern with gloss white finish for a realistic look of tile without the maintenance of grout.
- Tub walls are a 4-piece design with two end walls and two back walls enabling one-person handling and installation..
- The top back wall panel comes with an integral recessed horizontal shower niche that runs the length of the wall, which provides generous storage.
- Bathtubs have a gloss white finish and include a slip-resistant bottom surface with subtle raised textured circles.
- Bathtubs come in LH or RH drain locations and have through-the-floor drain installation. Drain not included.
- Bathtubs have a traditional round overflow hole and 14" high apron.
- 60" x 30" tubs have a water capacity of 46.49 gallons. 60" x 32" tubs have a water capacity of 64.46 gallons.
- Tub and shower kit includes a 4-piece tub wall kit (SMRWK) and a tub (SMRTTR).
- Must specify LH or RH drain location when ordering.
- 10 Year Limited Residential Warranty / 3 Year Commercial Warranty
