

FEATURES

- SMC (Sheet Molding Compound) material for lightweight, yet superior strength, beauty and easy cleaning.
- Interlocking system for easy installation.
- Shower walls have a 4" x 8" subway tile pattern with gloss white finish for a realistic look of tile without the maintenance of grout.
- Shower walls are a 4-piece design with two end walls and two back walls enabling one-person handling and installation..
- The top back wall panel comes with an integral recessed horizontal shower niche that runs the length of the back wall, which provides generous storage.
- Shower bases have a gloss white finish and a textured slip-resistant bottom surface.
- Shower bases come in LH or RH drain locations. Matching SMC drain cover included. Drain not included.
- Shower bases have a 3.56" threshold depth and 3.13" threshold height.
- Shower bases have a weight capacity of 661 lbs.
- Shower bases have a 8-1/4" drain location for tub replacement.
- Shower kit includes a 4-piece tub wall kit (SMRWK) and a shower base (SMFRN).
- Must specify LH or RH drain location when ordering.
- 10 Year Limited Residential Warranty / 3 Year Commercial Warranty
