

FEATURES

- Quartz is non-porous and resistant to stains. Safer and easier to clean than natural stone.
- Complete top with eased edge profile includes sink, (1) loose backsplash, and (1) loose side splash.
- Custom lengths up to 97".
- Top is 22-1/4" deep x 3/4" thick.
- Loose backsplash with eased edge: 4"H x 3/4" thick. Backsplash is same length as the vanity top.
- Loose universal side splash with eased edge: 21-3/4"L x 4"H x 3/4" thick.
- Top is pre-drilled to accommodate a single center hole faucet, a 4-in centerset faucet, or an 8-in widespread faucet.
- Single and double bowl options. Double bowl option available on vanity tops 49" or greater.
- Undermount and vessel sink options.
- 10-Year Limited Residential / 3-Year Limited Commercial Warranty

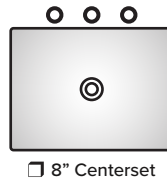

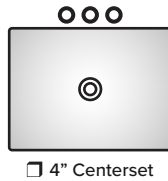

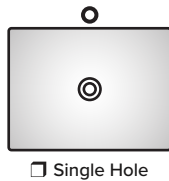

COLORS

- 6 Quartz colors
